

Delight in one of our Mediterranean dishes, baked Al Forno, or satisfy a craving with a sub-continental dish prepared in a traditional copper handi pot. If there's room, end the meal on a higher note with an indulgent platter of our tapas desserts.

Now just because the meal has come to an end, doesn't mean the evening has. Continue to unwind as you sink into the comfortable chairs, taking in the stunning view and a soothing shisha, while lounging to the beats of our resident DJ.
