What do the colours mean?

Upon joining the program each child will receive a Peter Cowen Junior Academy passbook which contains criteria needed to successfully progress to from one colour to another. Each colour below provides you with the basic guidelines recommended during a certain period of your child's long term athletic development. For example course length for a particular age group or target handicaps for par 3 courses as well as 9 and 18 hole golf courses. For encouragement our golfers will receive an award once the criteria for each colour has been successfully completed. The program has been specifically designed to ensure the quickest pathway to elite performance.

Due to the fact that these lessons are conducted in groups, if a pupil is unable to attend any sessions, they will not be able to redeem the missed class at another time.

In selecting to tick this box, I give permission for The Peter Cowen Academy Dubai to take pictures and videos on my child during his/her lesson to use as promotional material.
